

Certificate of constancy of performance

0402 - CPR - SC0074-14

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Fixed, vertical road traffic signs – Delineator posts

as specified in appendix to this certificate

Intended use: in circulation areas

Product name: **Delineator oval post, type D2**

produced by or for

Saferoad Daluiso A/S

Hvidkærvej 33, DK - 5250 Odense SV, Denmark

and produced in the manufacturing plants

same as above

and at

Gravenhorst Plast A/S

Sandbyvej 57, DK 4171 Glumsø, Denmark

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 12899-3:2007

under system 1 for the performances set out in this certificate are applied and that

the construction product fulfils the prescribed requirements, see Appendix, for these performances.

This certificate was first issued on 2014-03-27 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the product certification body.

Certificate of constancy of performance

0402 - CPR - SC074-14 appendix

Product: Daluiso A/S, Delineator oval post “Kantpæl”, type D2

Classification according to EN 12899-3:2007, Table ZA.1

Characteristic	Classification
Resistance to horizontal loads Static requirement (wind loading)	WL2
Performance under vehicle impact (passive safety) Dynamic impact resistance (material requirement) Dynamic impact resistance (functional requirement) Dynamic impact resistance (passive safety)	Pass Pass Pass
Visibility characteristics Chromaticity coordinates Luminance factor	Pass Pass
Durability Resistance to corrosion Resistance to UV	(not relevant, no metal) Pass

Product description and configuration

Product/part	Description of materials and dimensions
“Kantpæl” type D2	Height: 1.0 m (above road surface) Plastic: HS-5502 E3, MB PE 70, hvid-1 /(<i>white-1</i>) Post shape: triangular Post length: 1215 mm Post width: 106 x 119 mm Foundation: Concrete or Composite
