

**DELTABLOC®**  
SAFETY BARRIERS

# SB 70P 6m MW180 PA

## N2 W3 B

pinned on asphalt

### PRODUCT DATA SHEET

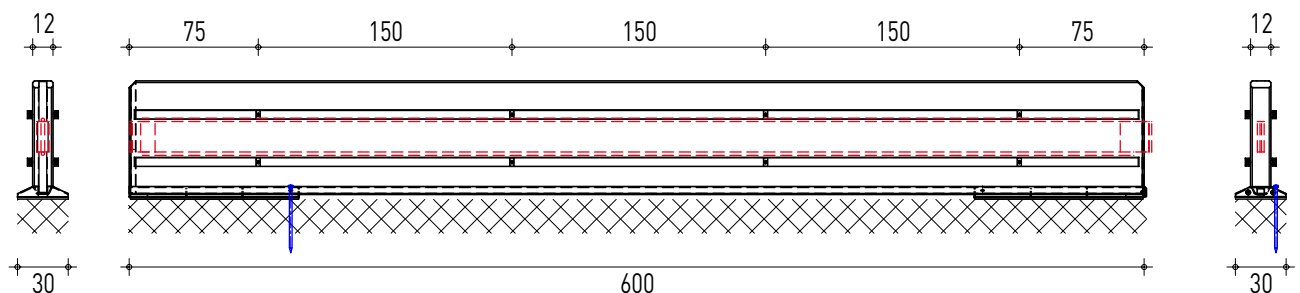

**K733267A**

|                          |             |
|--------------------------|-------------|
| Performance class        | N2 W3 - B   |
| Working width $W_N$      | W3 (0,9 m)  |
| Vehicle intrusion $VI_N$ | - (- m)     |
| Dynamic deflection       | 0,60 m      |
| Tested system length     | 102 m       |
| EC Certification report  | 725167633_8 |

|                 |              |
|-----------------|--------------|
| Product series  | SB Series    |
| Tension bar     | MW180        |
| Design          | Generation 2 |
| Product variant | PA           |

|                                   |                  |
|-----------------------------------|------------------|
| System height                     | 70 cm            |
| System width                      | 30 cm            |
| Dimensions of element (l × w × h) | 600 × 30 × 70 cm |
| Element weight / length           | 1.235 kg / 6 m   |

|                                       |                   |
|---------------------------------------|-------------------|
| Mode of operation                     | double sided      |
| Mode of installation                  | pinned on asphalt |
| Terminal anchoring                    | no                |
| Article number / Installation drawing | 181399 / K733267  |
